

BBC Sick Child Nursery Policy

While we welcome the opportunity to play with and pray with your child, we respectfully request that you do NOT bring your child to the nursery when he/she:

- has a fever (children must be fever-free for 24 hours without the use of fever-reducing medicine before being allowed into the nursery)
- has vomited in the past 24 hours
- has had diarrhea in the past 24 hours
- has nasal drainage that is not clear
- is excessively coughing/hacking or sneezing
- has an infection and has not been on an antibiotic for 24 hours
- has a rash or skin infection
- is lethargic and not feeling well, or seems to be coming down with something.

You may be called on to pick up your child if the nursery staff feels your child is sick. Thanks for helping us keep our little people healthy!
